ENTRANCE POLICY

<u>TOTAL REMOVALS</u> – Guthrie County will remove drives at no cost when requested by an adjacent owner provided the County will benefit by the removal. (NOT to be considered in additional or extensions and will be done at the County's convenience.

<u>ADDITIONAL ACCESSES, EXTENSIONS AND RELOCATIONS</u> – The applicant shall be responsible for 100% of the cost of pipe and construction.

SALVAGE – The County retains ownership and salvage rights to any materials placed into any driveway.

<u>INSTALLATION</u> – Installation may be done by a private contractor or the applicant. Site distance must be approved by the County Engineer's office. The County shall inspect all contractor and applicant installed drives at no charge. Improperly installed drives shall be corrected at the cost of the applicant.

<u>CULVERTS</u> - The culvert pipe shall be new material and must be the minimum length and diameter specified on the entrance application. Culvert shall be annular riveted corrugated metal pipe. Spiral rib pipe shall not be permitted.

DATE
